

At the Highlands Radio Group, (WWOJ, WWLL, WWTK, WITS and WJCM), we regularly run contests for our listeners. We hope you enjoy the chance to win a prize; we enjoy the chance to interact with our listeners.

To make it fair for everyone, there are just a few simple rules that apply to all contests on OJ99.1, Lite FM, News Talk 730, and Highlands ESPN.

- 1) All contests are one play per day, per household, defined as people living at the same address.
- 2) One “win” per individual every sixty days. In other words, once you’ve won a contest, you can win again in sixty days. We reserve the right to refuse prizes to winners of contests occurring less than sixty days apart.
- 3) Highlands Radio Group does not accept responsibility for dropped calls, Acts of God or technical malfunctions, and by participating you agree that the person operating the telephone at the radio station has the final decision on the winner of any individual contest event.
- 4) At times, we’ll do a promotion with additional rules and when that happens, we’ll post those additional rules here and have written copies available by request. Unless specifically excluded, they are to be considered to be in addition to these rules.

We do this (mostly) for fun – and appreciate you playing along, on all our stations in the Highlands Radio Group!
